Description

Visit your nearest Chevrolet dealer

A group of additional new models for the 1934 Chevrolet line -four full-size cars -100% Chevrolet in quality and reliability

Right at the peak of Chevrolet popularity -with nationwide demand sending production to new all-time "highs"-Chevrolet dealers are displaying an additional group of four new models. These cars are identical in quality with ALL 1934 Chevrolets. And the prices have been set at such incredibly low figures that you can now buy a Chevrolet for \$465! "A Chevrolet for \$465!" That's the world's lowest price for a six-cylinder car. The lowest price, also, for a car of this size, wheelbase and power! And a figure that sounds even more impressive after you find out what it buys: A great big, full-size, long-wheelbase car, 169 nches from bumper to bumper. A cushionalanced SIX of surprising smoothness, power, snap and dash. The most economical full-size car that money can buy-a record-breaker for gas and oil mileage, as well as long, dependable service. And every closed model has a Body by Fisher. Nobody interested in motor cars can afford to let another day slip by, without seeing this "Chevrolet for \$465." CHEVROLET MOTOR CO., Detroit, Mich.

Sport Roadster at Flint, Mich., \$465.00. With bumpers, spare tire and tire lock, the list price is \$18.00 additional. Prices subject to change without notice. Compare Chevrolet's low delivered prices and easy G. M. A. C. terms. A General

## CHEVROLET

**ANNOUNCES SUBSTANTIAL** 

# PRICE REDUCTIONS

on all models of Chevrolet passenger cars and trucks

Reductions amount to as much as \$50 on some models

MEVROLET'S reduced prices reflect in dramatic fashion the record-breaking demand that, month after month, is keeping Chevrolet first in sales. In offering these exceptional values at these new, lower prices, Chevrolet hopes to maintain, during program of recovery.

Chevrolet is particularly glad to make this important announcement just at this time when you can see and judge the Chevrolet at the National Exhibits of General Motors Products. Make it a point to look over these features and these new low prices with those of any other low-priced car. Then you will know even more surely than before why we say with confidence, "Drive the Chevrolet only 5 miles and you'll never be satisfied with any other low-priced car."
